

『天台綠化』平面設計比賽

學校計劃於年底前將天台綠化，藉以減低室內溫度及減少能源消耗。此外，我們將透過天台綠化計劃，提高學生的環保意識，優化校園環境，改善空氣質素，美化社區及週邊鄰近高層住宅的景觀。

現邀請有興趣設計活動的同學、家長及校友為「天台綠化計劃」設計一平面圖。勝出者除可獲得獎品一份外，獲獎的設計或會被選用於天台綠化的工程內。

概念： 以綠色及紅色代表植物，淺啡色代表小徑來設計綠化天台的鳥瞰圖。

尺寸選擇： 27cm × 6cm

參加辦法： 在參加表格填寫個人資料，並在提供的空格裡畫上你的設計，於限期前交給 Ms SY Leung 或

Green Roof Design Competition

The school plans to renovate the roof and make it become a 'green' roof before the end of 2010. It is hoped that through such a project, the roof temperature will be lowered and less electricity can be used. In addition, the air quality around the school can also be improved and the scenery can become better.

Here, we cordially invite parents, Old Boys and students to participate in our Green Roof Design Competition. Apart from getting a valuable prize, the winner may also have his/her design adopted by the Green Roof Working Party in the actual construction work.

Guideline: In designing the floor plan of the Green Roof, you are only allowed to use red and green to represent plants, and light brown to represent the footpath.

Size: 27cm × 6cm

Enrolment: Put your design in the space provided on this information sheet and fill in all the other necessary information. Then hand it in to Ms SY Leung OR send your design with your name, class (if applicable OR year of graduation) and telephone number to csk_greenroof@yahoo.com.hk

Deadline: 17 May, 2010

Date for announcement of results: 7 June, 2010

For any enquires regarding the competition, please contact Miss SY Leung (the chairperson of the Green Roof Working Party) on 2715 6047.
