

Principal's message on Oral Feedback from ESR in morning assembly dated 31st May 2010

**Dear teachers and students,
Good morning.**

Today I hope to congratulate you all on your performance in the past ESR days as it was excellent and you have helped the school to win a high commendation as stated in the oral feedback of our guest visitors, the ESR Team.

The school was commended for being a school with a clear vision of touching hearts and a mission in line with the educational trends in Hong Kong.

Teachers were commended for being friendly, adopting a positive attitude towards teaching, having a good knowledge of the subject they teach and giving positive feedback to students.

Students were commended for being generally well-behaved, attentive in class, showing respect to each other, being active in participating in and organizing activities and maintaining a harmonious relationship with their peers. Senior form students are always ready to help those in junior forms and they have displayed good leadership skills. Students' academic performances are good and have a strong commitment to serve the community.

Parents and old boys were commended for being cooperative and supportive to the school. Their help in providing voluntary manpower and finance has been highly appreciated.

The school climate was found to be clean, safe and harmonious for learning.

In conclusion, the school has made noticeable improvement in the past few years.

Now, I hope to thank you all for your hard work and loyal support to the school. I also believe all of us will not be satisfied with the present good performances, we will continue to work hard in studies and games so that we can make CSK shine brighter in the days to come.

Thank you.
