

## Drama Course

If you want to seriously improve your English Language skills, read this upload very carefully.

The school is able to offer you a complete drama course, which will start on **30<sup>th</sup> April 2007**. It will consist of twenty sessions and will be taught by specialist teachers who will come to C.S.K. This course is very expensive, but the government has given us money especially for this purpose, so we can offer it to you completely free of charge.

**English through drama** is an active and practical way to develop your language skills and to learn new ones. You will learn by interacting with each other and your environment, outside the limits of the normal classroom. Your confidence will improve along with your ability to speak in public.

You will learn a lot about: leadership, teamwork, discipline, responsibility, risk taking, (so you will have to be brave), creativity and achievement. You will learn all this, and you will have **fun** doing it!

So far, I have told you only the good news. Unfortunately there is bad news. Not every student can take part because there are not enough places. Make sure that you are among the first to give your name to your **English teacher or Mr. AB**, so you can secure a place on the course. Do it today and you stand a chance of being one of the lucky ones.

Mr. A. Beynon
