Group Subscription of Magazine

I would like to ask you to take a few minutes to study the following titles of magazines with special prices offered to learners through the School. Though most of these publications can be found in the school and public libraries, personal copies for the family may help establishing a good habit of reading for your child(ren) at home. If you are interested in placing an order, please fill in and return the reply slip to CSK Library with respective payment on or before 21st September 2007.

Between 19-21 September, a small exhibition of magazines will be conducted at the covered playground. Parents and students are welcome
