To meet the diverse learning needs of students, the school will offer 2-year Applied Learning (ApL) courses to secondary five students in the next school year. Students can select ApL courses freely based on their learning interests or to supplement other electives they take at school. For course descriptions, please access the ‘Prospectus for Applied Learning’ through the following link:

Details of implementation are as follows:

Class Arrangements

ApL courses will take place at the venues of course providers and are taught by the staff of course providers. Students have to attend the courses according to the timetables of the course providers. Applied Learning	Category A Subjects
Attained with Distinction (II)	Level 4 or above
