

7<sup>th</sup> April 2025

Circular No. 24062

Dear Parents/ Guardians,

### **Primary Dental Co-care Pilot Scheme for Adolescents**

I am pleased to inform you that the Primary Dental Co-care Pilot Scheme for Adolescents (PDCC) has been launched by the Department of Health on 20 March 2025. By providing Government subsidies with co-payment arrangements, the PDCC incentivises adolescents to seek dental check-ups at private dental clinics and establish regular oral check-up habits.

The PDCC serves as an interface with the School Dental Care Service by providing partial subsidies for dental check-up services for adolescents to foster their long-term partnership with registered dentists in the private sector and enable them to build a life-long habit of regular dental check-ups.

Adolescents from age 13 to 17 (or will reach the age of 13 in the calendar year when applying to join the PDCC) holding a valid Hong Kong Identity Card and have enrolled in the Electronic Health Record Sharing System (eHealth) are eligible to join the PDCC. Participants can receive subsidised services once every calendar year. While the Government will provide an annual subsidy of \$200, participants have to pay a co-payment fee as charged by the dentists of their choice after receiving the subsidized services. The amount of co-payment recommended by the Government is \$200. The scope of subsidised services includes:

- Dental check-up;
- Oral health risk assessment;
- Dental scaling;
- Personalised self-care advice on oral care;
- Fluoride application as risk-based follow-up; and
- Check-up report.

You are cordially invited to join the PDCC. Starting from 6 March 2025, a list of participating dentists will be uploaded to the PDCC webpage. You can contact the relevant clinic and make an appointment after finding a dentist of your choice and receive the subsidised services on or after 20 March.

敬啟者：

### 「青少年護齒共同治理先導計劃」

衛生署於2025年3月20日推出「青少年護齒共同治理先導計劃」(先導計劃)，透過政府資助及市民共付形式，鼓勵青少年使用私營界別牙科檢查服務，建立定期接受口腔檢查的良好習慣。

先導計劃旨在銜接學童牙科保健服務，透過資助青少年使用牙科檢查服務的部分費用，協助他們與私營界別的註冊牙醫建立夥伴關係，往後維持定期檢查牙齒，成為終身習慣。

參加先導計劃的青少年須介乎13至17歲(或將於申請參與先導計劃的年度內年滿13歲)、持有有效香港身份證及已登記加入「醫健通」。合資格青少年可於每個公曆年內接受一次資助服務，政府會就每次服務向牙醫提供200元資助，而參加者須自行支付所選牙醫參加先導計劃時所釐定的共付額。政府就每次資助服務建議的共付額為200元。先導計劃的資助牙科服務範圍包括：

- 口腔檢查；
- 口腔健康風險評估；
- 洗牙；
- 個人口腔護理建議；
- 按牙患風險評估結果提供牙面氟化物劑治療；及
- 口腔檢查結果報告。

衛生署現誠邀合資格青少年參加先導計劃。由三月六日起，參與計劃的牙醫名單會上載至先導計劃專頁。選擇牙醫後可自行聯絡相關診所，並預約接受資助服務。

為提高先導計劃下相關牙科服務收費的透明度，載於專頁的牙醫名單除註明牙醫釐定的共付額，也會列出在先導計劃下提供X光檢查、補牙及脫牙的收費，以供參考及選擇。
