Dear Parents/ Guardians,

Extending Chinese New Year Holidays to safeguard students' health

The Education Bureau has announced that all schools will extend their Chinese New Year holidays to 16th February, 2020 to safeguard students' health. This action has been taken as a result of the situation regarding the coronavirus.

To ensure the continuity of learning during the extension of holidays, we will be using a range of online learning resources to support learning and connect with our students. We will inform you of the details in due course.

S6 English Language (Speaking) mock examination will be postponed until resumption of classes. Further notice will be given to S6 students. The 50th Anniversary Mass will be postponed to another day. The Parents' Day will be cancelled.

The school is going to reinforce temperature screening by checking the body temperature of all students every day when they arrive at school. Staff will also check their temperature before work every day. Also, staff and students should wear a surgical mask to reduce the risk of infection. These measures should continue until further notice by the Centre for Health Protection.

Please remind your son/ward to maintain good personal and environmental hygiene, and avoid crowded places. Thank you.

Yours faithfully,
