E. Do you have any feedback from students and their parents? Are they satisfied with the service provided? (optional)

The attendance of the after-school classes was good. The after-school classes provided academic support to the needy students. However, the classes were suspended due to COVID-19. Some activities, such as excursion day and visit of Jockey Club Life Journey Centre were cancelled as well. For the wargame activity, the response was very good. The students enjoyed it very much. Students feel grateful that the instrumental classes were subsidized. Teaching was carried out through ZOOM during the school suspension.
