E. Do you have any feedback from students and their parents? Are they satisfied with the service provided? (optional)

The attendance rate of the after-school classes was satisfactory. Students could attend the classes on time and they said the classes were useful. The after-school classes mainly provided academic support to the needy students. Both the Chinese and English tutorial classes were conducted via Zoom throughout the whole year. However, some activities such as Cake Making Activity, the Visit to Jockey Club Life Journey Centre and War Game were cancelled due to COVID-19.
